Breathtakingly Beautiful! A Gem of European Artistry in Texas! Custom designed & built in 2012, each room is unique for function & beauty. From the tumbled marble herringbone patterned floor in the Foyer to the imported Belgian antique floor in Kitchen, Gathering Room & Living Room, you'll be captivated by soaring beamed cathedral & groin ceilings, antique French doors & fixtures, soft arches, supple plastered walls, casement windows, plus a gentleman's & a lady's offices! "Teenager's Suite" was designed as a separate wing with a "Sleepover Nook" and a separate Gaming Room! 3 brick patios, one with climbing rose arbor and French antique wall fountain. And there is much more to discover!
